THE ANIMAL NUTRITION, NATURALLY INNOVATIVE

VALI MP

FOR A BETTER CARCASS QUALITY

FOR THE ANIMAL

Improves welfare & reduces heat stress

FOR THE FARMER

Additional value on the carcass and a better profitability

FOR THE CONSUMER

Quality meat without residue

VALI MP

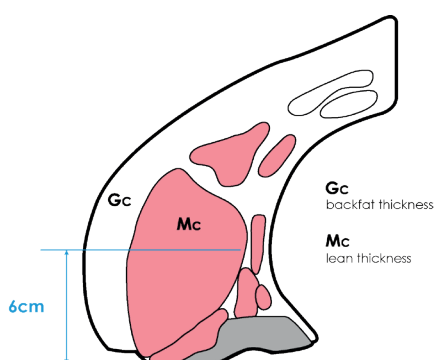

VALI MP is a blend of plant extracts, essential oils and trace elements. It promotes muscle development and limits backfat thickness.

MODE OF ACTION

VALI MP improves liver metabolism, shifting fat synthesis to muscle synthesis.

Benefits of **VALI MP**:

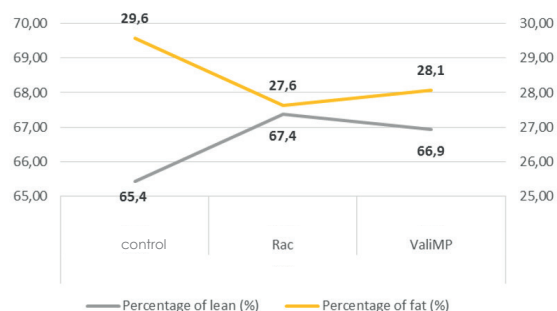

- Better growth (improved ADG) during the fattening period.
- Better return on the pig carcass.

Effect of supplementation of ractopamine or VALI MP on carcass traits of slaughtered pigs

Trial in South Korea - 2018 - IDENA

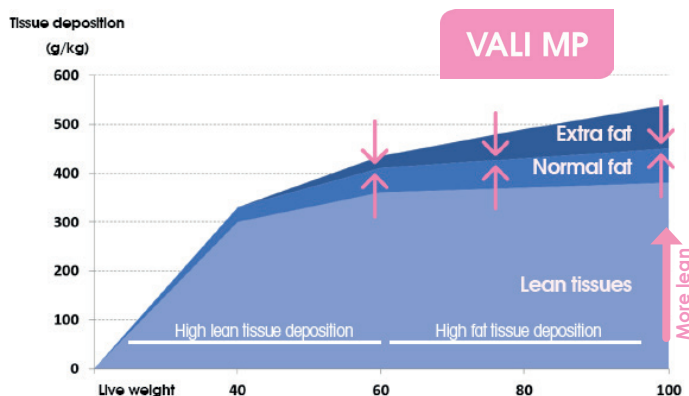

Comparison of Lean and Fat Percentage

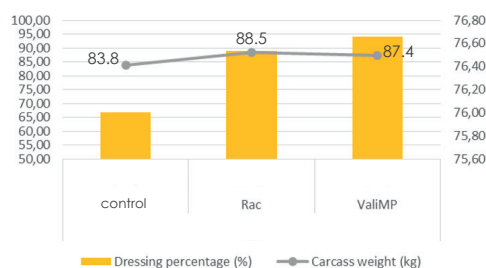

➔ **VALI MP** decreases back fat thickness and increases muscle, for an increased lean percentage.

Mode of action : VALI MP decreases fat deposition
